MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Payment of Travel Expenses for New Appointees

REFERENCE: Memo for D/Pers from General Counsel dated 26 Oct 56, approved by ADG/S, 29 Oct 56, subject: Travel Expenses for New Appointees.

1. This memorandum submits a recommendation for approval of the Deputy Director (Support). Such recommendation is contained in paragraph 4.

25X1A9A

2. Referenced memorandum contains an authorization for the Director of Personnel to approve the payment of travel expenses for new appointees. In collaboration with the Acting Comptroller and [redacted] Office of the General Counsel, we have formulated the following standards for application of this authority, subject to an over-all limitation of \$2500 in any given case and to the availability of funds for payment by the operating office concerned:

a. The individual is being appointed to a position for which an increased in-hiring rate has been authorized or which meets substantially the same standards as to scarcity of qualified candidates; or,

b. The appointee, irrespective of the type of position to which appointed, is disqualified for continued employment within 120 days of appointment for failure to meet medical, security, or administrative standards during in-processing.

3. In cases qualifying under paragraph 2a above, the Agency would assume the cost of travel from the appointee's place of residence to Washington, D. C. In cases qualifying under paragraph 2b above, the Agency would assume the cost of travel to and from Washington, D. C. and the appointee's place of residence. This Office will work in collaboration with the Office of General Counsel in preparing appropriate contractual agreements.

Re paragraph 2. b. If Security turndown is based on Communist Party membership or other subversive implications no payments would be made as a matter of law. Similarly, if the medical or administrative disqualification is due to the individual's own misconduct, I assume there would be no payment as a matter of policy. These points should be reflected in the contracts.
